CITY OF SOUTH MIAMI
OFFICE OF THE CITY MANAGER
INTER-OFFICE MEMORANDUM

TO: The Honorable Mayor & Members of the City Commission
FROM: Steven Alexander, City Manager
DATE: October 1st, 2019

SUBJECT: An Ordinance Amending Chapter 2, Article V, Sections 2-354—2-380. –Reserved of the City of South Miami Code of Ordinances to create a separate Section 2-354 that establishes standards for the use of chemical pesticides and herbicides for the maintenance of City property and to Reserved Sections 2-355 through 2-380.

BACKGROUND: Florida ranks as one of the biggest consumers of chemical pesticides in the country. Many of the most commonly used chemical, pesticides and herbicides may result in significant negative impacts on those administering the chemicals, people exposed to the treated areas, and the natural environment.

In recognition of the harm which pesticides may cause, some counties and municipalities throughout the state have experimented with various restrictions on the use of herbicides, pesticides and fertilizers in order to reduce their burden on the environment and public health. In 2017, the City of South Miami’s Procurement Division drafted a Request for Proposals for a landscaping contract which included a provision that respondents may only utilize ‘certified organic or EPA minimum risk’ products in their maintenance of park and public right of way, in addition to several other measures intended to reduce the use of pesticides.

Thus-far this initiative has been a qualified success, allowing the City to cut down on its waste-footprint significantly at relatively little expense, and providing a model for other local government to use as guidance. While not as efficient as other methods, this system of using reduced harm treatments has proven somewhat effective in its use. This ordinance would codify these environmentally sensitive landscaping practices into policy, ensuring that the City continues to maintain these practices.

The ordinance passed first reading with a unanimous vote of the commission on 9/17/2019, with an amendment to include the word “synthetic” as a modifier to the phrase “chemical pesticides” on line 23 of the ordinance. The same change was also made on lines 14 and 19 of the introductory section to maintain consistency.

ORDINANCE NO: _____

An Ordinance amending Chapter 2, Article V, Sections 2-354—2-380. – Reserved of the City of South Miami Code of Ordinances to create a separate Section 2-354 that establishes standards for use of chemical pesticides and herbicides for the maintenance of City property and to reserved Sections 2-355 through 2-380.

WHEREAS, the City of South Miami is committed to environmental conscientiousness and leadership; and

WHEREAS, the City finds that it is in the public interest, safety and welfare to reduce contamination of City lands and waters from potentially harmful pesticides and herbicides; and

WHEREAS, commonly used synthetic chemical pesticides and herbicides, such as permethrin and glyphosate damage terrestrial and aquatic ecosystems and have been shown to be potentially carcinogenic; and

WHEREAS, the City Commission finds that there are reasonable and environmentally friendly alternatives to the use of potentially carcinogenic and environmentally harmful synthetic chemical pesticides and herbicides; and

WHEREAS, the Parks Department has adopted a relatively highly labor intensive strategy of manual weed removal as a first line of treatment, the application of vinegar or vinegar and hot water as secondary line of treatment and the use of approved ‘Certified Organic or EPA Minimum Risk’ pesticides and herbicides as an option of “last resort”; and

WHEREAS, the City Procurement Division has secured contracts with landscapers that require the use of non-chemical methods of weed removal (manual weed removal) and pest control and require the use of approved ‘Certified Organic or EPA Minimum Risk’ pesticides and herbicides as an option of “last resort”; and

WHEREAS, the City seeks to further preserve and enhance the local environment by establishing standards for the use of non-chemical methods of weed removal and pest control and to require the use of approved ‘Certified Organic or EPA Minimum Risk’ pesticides and herbicides as an option of “last resort”; and

WHEREAS, the City Commission wishes to amend the City's Code of Ordinances to enact environmental health and safety practices for the maintenance of City property and facilities; and

WHEREAS, the City Commission finds that this Ordinance has an important effect on the preservation and improvement of the environment, public health, safety, and welfare of the City's residents.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF SOUTH MIAMI, FLORIDA, THAT:

1 **Section 1.** The foregoing recitals are hereby ratified and incorporated by reference
2 as if fully set forth herein and as the legislative intent of this Ordinance.

3 **Section 2.** Chapter 2, Article V, Sections 2-354—2-380. – Reserved of the City of
4 South Miami Code of Ordinances are hereby amended to read “Sections 2-355-2-380. –
5 Reserved” and to add Section 2-354 to Article V. Section 2-354, that establishes standards
6 for use of chemical pesticides and herbicides for the maintenance of City property, shall
7 read as follows.

8 Sec. 2-354.1 Definitions:

9 Chemical Edging: The use of pesticides to control weeds occurring within ½ foot
10 of a tree, structure, or sidewalk.

11 Certified Organic or EPA Minimum Risk. Certified Organic or EPA Minimum
12 risk products include those which appear in CFR 205.601 as amended or CFR
13 205.602 as amended or 40 CFR 152.25(f) as amended. This list may be subject to
14 change based upon changes to the USDA’s allowed substances list or EPA’s
15 minimum risk product list.

16 City Property means, for the purposes of this Section, any property that is owned,
17 operated, managed or controlled by the City.

18 City Facility means anything that is built, installed, or established to serve a public
19 purpose on City property, or right-of-way.

20 Sec. 2-354.2 Landscape Maintenance:

- 21 (a) City staff and contractors shall rely primarily on mechanical removal and
22 integrated pest management strategies that do not rely upon the use of
23 synthetic chemical herbicides or pesticides as a first resort for the control of
24 nuisance vegetation or animals.
- 25 (b) City staff and contractors shall not use any herbicides or pesticides that do
26 not appear on the approved list of Certified Organic or EPA Minimum Risk
27 Products.
- 28 (c) City Contractors shall not adopt or implement any program that puts any
29 herbicides or pesticides not on the current EPA approved list of Certified
30 Organic or EPA Minimum Risk Products into use on a regularly recurring
31 schedule without first consulting and receiving approval from the City
32 Manager or the Manager’s designee.
- 33 (d) City staff and contractors shall not use any chemical edging
- 34 (e) the use of string trimmers shall not be used in sufficient proximity to the
35 trunks of trees to cause any scarring of the tree.

36 **Section 3. Severability.** If any section, sentence, clause or phrase of this Ordinance
37 shall for any reason be held to be invalid or unconstitutional, such decision shall not affect
38 the validity of the remaining sections, sentences, clauses, and phrases of this Ordinance but
39 they shall remain in effect.

40 **Section 4. Codification** This ordinance shall become and be made a part of the
41 City's Code of Ordinances, and the sections. Subsections and paragraphs of this Ordinance
42 may be renumbered or re-lettered, and the word "ordinance" may be changed to "section,"

1 "article," "regulation," or such other appropriate word or phrase in order to accomplish
2 such intentions.

3 **Section 5. Ordinances in Conflicts.** All ordinances or parts of ordinances in
4 conflict herewith are repealed to the extent of such conflict.

5 **Section 6. Effective Date.** This Ordinance shall become effective immediately
6 upon enactment.

**CITY OF SOUTH MIAMI
NOTICE OF PUBLIC HEARINGS**

NOTICE IS HEREBY given that the City Commission of the City of South Miami, Florida will conduct Public Hearing(s) at its regular City Commission meeting scheduled for Tuesday, October 1, 2019, beginning at 7:00 p.m., in the City Commission Chambers, 6130 Sunset Drive, to consider the following item(s):

A Resolution authorizing the City Manager to amend the multi-year contract for citywide phone service with Windstream by adding three new phone lines.

A Resolution ratifying the three-year Collective Bargaining Agreement from June 22, 2019 to June 21, 2022 between the American Federation of State, County, and Municipal Employees (AFSCME), Local 3294 and the City of South Miami, and authorizing its execution by the City Manager.

A Resolution relating to a Variance application to reduce the minimum off-street parking space requirement for a mixed-use project on both the East and West Madison Square properties as legally described herein.

An Ordinance amending Chapter 2, Article V, Sections 2-354-2-380. - Reserved of the City of South Miami Code of Ordinances to create a separate Section 2-354 that establishes standards for use of chemical pesticides and herbicides for the maintenance of City property and to reserved Sections 2-355 through 2-380.

An Ordinance amending Section 7-3.2 of the Code of Ordinances to adjust the parks impact fees; defining how those fees are calculated, providing for definitions, exceptions, assessment of development prior to establishment of parks impact fees; providing for exemption for affordable housing developments; providing severability, inclusion in the code, and effective dates.

An Ordinance amending the City of South Miami Code of Ordinances, Chapter 8A, Section 8A- 4.1. titled "Prohibited commission actions" to allow the Mayor or Mayor's designee to issue proclamations without the need for approval by written resolution.

ALL interested parties are invited to attend and will be heard.

For further information, please contact the City Clerk's Office at: 305-663-6340.

Nkenga A. Payne, CMC
City Clerk

Pursuant to Florida Statutes 286.0105, the City hereby advises the public that if a person decides to appeal any decision made by this Board, Agency or Commission with respect to any matter considered at its meeting or hearing, he or she will need a record of the proceedings, and that for such purpose, affected person may need to ensure that a verbatim record of the proceedings is made which record includes the testimony and evidence upon which the appeal is to be based.
