INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
of Beyond Pesticides  
Washington, DC

**Opinion**

We have audited the accompanying financial statements of Beyond Pesticides (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Beyond Pesticides as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beyond Pesticides and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beyond Pesticides' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beyond Pesticides' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beyond Pesticides' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

See accompanying notes to financial statements.

## BEYOND PESTICIDES

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

#### **NOTE 1 - ORGANIZATION**

Beyond Pesticides is a non-profit organization, incorporated in the District of Columbia in 1985 and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, but is subject to unrelated business income tax. The organization is a publicly supported organization under Section 509(a)(1) of the Internal Revenue Code and Subsection 170(b)(A)(vi).

#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting - The financial statements of the Organization have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America for not-for-profit organizations.

Revenue Recognition – Grants and contributions are recognized when an unconditional grant or contribution has been awarded, or when the organization has satisfied the requirements of the condition. All grants and contributions are considered to be available for use at the discretion of the organization unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as donor-restricted support that increases the net assets with donor restrictions class.

Memberships are effectively contributions and there is no liability for future services associated with received membership dues, therefore all dues are recognized as revenue as received. All other program service revenue is recognized as earned.

The organization recognizes contract revenue when the identified performance obligations of the underlying contract have been satisfied. If revenue is received in advance of satisfying the contractual performance obligations, that revenue is recorded as deferred revenue in the statement of financial position.

Net Assets – Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantors) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

*Net Asset With Donor Restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Property and equipment - Property and equipment over \$1,000 are recorded at cost. Depreciation on office furnishings and equipment is determined by the straight-line method based on estimated useful lives of three to seven years. Depreciation on building and improvements is determined by the straight-line method based on estimated useful lives of thirty-nine years. Loan costs incurred to refinance the building are being amortized over the 15-year life of the loan.

Cash and Cash Equivalents – The organization considers cash and cash equivalents to be highly liquid investments with original maturities at time of purchase of less than 90 days.

BEYOND PESTICIDES

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair Value of Financial Instruments - The financial instruments of the organization are reported on the statement of financial position at market or fair values, or at carrying amounts that approximate fair values because of the short maturity of the instruments. See Note 11 for a description of financial instruments carried at fair value.

Investments – The organization reports under ASC 320 Investments Debt & Equity Securities Under ASC 320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Functional expenses – The costs of program and supporting service activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among programs and supporting services benefited.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE 3 - RETIREMENT PLAN**

The organization began a 403 (b) plan effective July 1, 1992, amended effective January 1, 2009. In this plan, the organization contributes 3% of all eligible employee's compensation with vesting at 33.33% first year, 66.66% the second year, and 100% the third year. The retirement expense for the year ending December 31, 2022 was \$18,783, which is comprised of employer contributions.

**NOTE 4 – NET ASSETS WITH DONOR RESTRICTIONS**

Net Assets With Donor Restrictions are available for the following purposes:

Pesticide Information/Network (P&A) - A Sense of Wonder Film	\$ 24,813
Pesticide Information/Network (P&A) - Fund for Independent Science	118,459

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

**NOTE 4 – NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)**

Net assets were released from donor restrictions by incurring expenses or satisfying the purpose of the restrictions specified by donors as follows:

Pesticide Information/Network (P&A) - Beyond Pesticides Ohio	\$ 152
Pesticide Information/Network (P&A) - A Sense of Wonder Film	71
Pesticide Information/Network (P&A) - Fund for Independent Science	37,150
Pesticide Information/Network (P&A) – SWAP Project	61,496
Pesticide Information/Network (P&A) – Pollinators	40,000
Pesticide Information/Network (P&A) – Pollinator Protection Network	15,812
Pesticide Information/Network (P&A) – Bee Safe Minneapolis	14,000
Pesticide Information/Network (P&A) – Hawaii	7,654
Pesticide Information/Network (P&A) – Other	75,000
Hawaii Organic Land Management	8,143
OrganicEye	466,708
Organic - Other	<u>20,000</u>
Total	\$ 746,186

**NOTE 5 – RENTAL ACTIVITY**

The organization leases the first floor of its three-story building under two separate leases. The leases were the following as of December 31, 2022:

Suite 1A is rented at \$2,650 per month. The lease term is March 1, 2022 through February 28, 2023.  
Suite 1B is rented at \$3,200 per month. The lease term is April 1, 2022 through March 31, 2025.

There are no contingencies or passthrough obligations for these tenants. There are no options to extend or terminate the leases.

2022 Gross rental income	\$69,750
2022 Net rental loss	(15,028)

Future rental cash flows on current leases

	Gross rental income	Present value (1.5% US discount rate)
2023	\$43,700	\$43,700
2024	38,400	37,824
2025	9,600	9,420

**NOTE 6 – CONCENTRATION OF CREDIT RISK**

The organization did maintain cash balances in excess of \$250,000 in accounts during the fiscal year, which are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2022, the organization's cash balance in excess of FDIC insurance totaled \$794. Management periodically assesses the financial condition of the financial institutions and believes that the risk of any credit loss is minimal.

BEYOND PESTICIDES

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

**NOTE 7 - RELATED PARTY**

A Board Member's company was compensated as a contractor for services performed on programs of the organization during the year. The payments totaling \$51,821 made to the Board Member's company were at arms-length and are recognized as an expense on these financial statements under Consultants.

**NOTE 8 - BOARD DESIGNATED FUNDS**

The Board of Directors designated \$50,000 in May 2001 to be set aside into an operating reserve, which is to be invested by an investment committee appointed by the Board of Directors. It is to serve as an emergency fund, with funds to be disbursed only if it is to assure the survival of the organization. However, the Board does have the legal right to authorize the spending of these funds at any time. Since May 2001, an additional \$106,467 has been added to the fund, consisting of \$34,756 in donated securities and \$71,711 in net investment revenue.

**NOTE 9 - MORTGAGE PAYABLE**

The organization purchased the building, which it had been leasing, on June 28, 2002 for \$1,000,000. The total cost, including closing costs, to purchase the building was \$1,020,168, and is included in Land, building & bldg improvements in the Statement of Financial Position. The organization refinanced its mortgage on November 14, 2018 as follows:

Promissory note of \$720,000 due to Branch Banking and Trust Company at an interest rate of 5.050% (computed on a 365/360 basis) with monthly payments of \$4,261. The balloon date is November 14, 2033 and is based on a 180-month balloon with a 300-month amortization.

Future scheduled maturities of long-term debt approximate to be as follows:

Years ending December 31:

2023	\$ 17,991
2024	18,841
2025	19,922
2026	20,966
2027	22,065
Thereafter	<u>555,639</u>
Total	<u>\$ 655,424</u>

**NOTE 10 – PROGRAM SERVICES**

The following program services are included in the accompanying statements of activities.

Community P&A – provides information on request from the public & media for assistance on pesticides and available alternative methods.

Organic – educate on the organic model in local, state and federal programs that manage land and buildings and advance a “green” or sustainable economy that embraces the precautionary principle. OrganicEye, a program previously included in Organic, became a separate organization effective February 28, 2022.

BEYOND PESTICIDES

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

**NOTE 10 – PROGRAM SERVICES (CONTINUED)**

The organization continues to hold its annual conference virtually. Members, the public and advocates are educated concerning pesticide law, information, protection & alternatives at its conference. The expenses of the conference are included in its program services.

**NOTE 11 – FAIR VALUE MEASUREMENTS**

The organization follows FASB ASC 820-10 for financial assets (and liabilities) measured on a recurring basis, as amended. FASB ASC 820-10 clarifies fair value, establishes a framework for measuring fair value in generally accepted accounting principles (GAAP), and expands disclosures about fair value measurements. FASB ASC 820-10 emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, FASB ASC 820-10 established a fair value hierarchy based upon the transparency of the inputs to the valuation of an asset or liability. These inputs may be observable, whereby the market participant assumptions are developed based on market data obtained from independent sources, and unobservable, whereby assumptions about market participant assumptions are developed by the reporting entity based on the best information available in the circumstances. The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 – inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.

Level 2 – inputs other than quoted prices included in Level 1 that are observable for the asset and liability, either directly or indirectly, through corroboration with observable market data (market corroborated inputs).

Level 3 – unobservable inputs for the asset or liability including inputs that reflect the reporting entity's own assumptions in determining the fair value measurements.

The following table summarizes the Organization's assets and liabilities measured at fair value on a recurring basis as of December 31, 2022:

Assets Measured at Fair Value

<u>Description</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical (Level 1)</u>
Certificate of Deposits	\$2,080,231	\$2,080,231
Equities	<u>2,532</u>	<u>2,532</u>
Total	\$2,082,763	\$2,082,763

The Organization used the following methods and significant assumptions to estimate fair value for assets and liabilities recorded at fair value.

Certificate of Deposits & equities are measured using quoted market prices for identical assets in active markets.

BEYOND PESTICIDES

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

**NOTE 12 - DONATED SERVICES**

The organization received donated services from a Board member during the year. The value of these services totaled \$179,961 for the year ended December 31, 2022. The income and related expense of these donated services are recognized on these financial statements respectively under contributions and consultants.

**NOTE 13 - LIQUIDITY**

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date. Amounts not available include amounts set aside for as an emergency fund in the board designated fund, that could be drawn upon if the governing board approves of the action.

Financial assets, at year end	\$2,680,014
Less those unavailable for general expenditures within one year due to:	
Restriction by donor for purpose	(762,536)
Board Designations:	
Primarily as an emergency fund	<u>(156,467)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$1,761,011</u>

As part of its liquidity management plan, the organization invests cash in excess of daily requirements in CDs and savings accounts. Occasionally, the Board designates a portion of any operating surplus to its operating reserve.

**NOTE 14 - INCOME TAXES**

The organization is exempt from income taxes on exempt activities under Internal Revenue Code 501 (c) (3) and applicable DC statutes. The organization does have tax liability on unrelated business activity. The Organization follows FASB ASC 740 Income Taxes the authoritative guidance relating to accounting for uncertainty in income taxes. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and de-recognition of tax positions taken or expected to be taken in a tax return. The Organization performed an evaluation of uncertain tax positions for the year ended December 31, 2022 and determined that there were no matters that would require recognition in the financial statements, or which may have any effect on its tax-exempt status. As of December 31, 2022, the statute of limitations for tax years 2019 through 2021 remains open with federal and DC authorities.

**NOTE 15 - SUBSEQUENT EVENTS**

The organization's management has evaluated subsequent events through April 27, 2023, the date the financial statements were available to be issued. There were no subsequent events identified through April 27, 2023.
