Healthy Communities
Green solutions for safe environments

The 30th National Pesticide Forum

Yale University School of Forestry and Environmental Studies – New Haven, CT – March 30-31, 2012

Thank you for participating in *Healthy Communities*. We hope this meeting gave you the opportunity to discuss pesticide issues of importance to you. It is our goal to work toward developing policies and practices that will protect the environment and human health. Please help in evaluating this year's Forum by completing this form, keeping the above-mentioned goals in mind, and returning it to the box on the registration table.

General comments:

III. To help us plan for future conferences, please provide your feedback on the Forum in general:

A. This is a conference that should be held: ____every year ____every 2 years ____every 5 years

B. I would travel out of state to attend this conference in the future: ____yes ____no

C. In terms of conference focus, the central theme:

a) should be discussed in every workshop, plenary and keynote.

b) should be discussed in plenary sessions, but should cover a wide variety of topics in the workshops.

c) is not important. I prefer a general conference that covers many topics.

IV. In an effort to more fully evaluate Beyond Pesticides' programs, services and activities, please provide your comments on the following publications and services of Beyond Pesticides.

A. Do you regularly read or use our website, facebook or twitter pages or any of the following publications: *Pesticides and You, Daily News Blog and/or School Pesticide Monitor*?

If yes, please provide us with your assessment of the readability of these publications, their usefulness and your interest in the information.

B. Have you ever used the Beyond Pesticides website (other than reading the Daily News Blog or Facebook)?

If yes, please provide us with your assessment of the readability of the website, its usefulness and your interest in the information.
