

DOCUMENTARY FILM & PANEL DISCUSSION

GROUND WAR

MONDAY NOVEMBER 11, 6:30 PM
RIVERVIEW THEATER
3800 42ND AVE S, MINNEAPOLIS, MN

"Ground War" offers an opportunity to learn about the critical importance of organic land management to public health and the environment. The Minneapolis Public School District and the Park and Recreation Board are beginning a demonstration organic land management project on a number of properties. Join us for the Minnesota premiere screening and panel discussion with the filmmaker, landscape experts, and advocates!
